

Environmental Policy Statement

Ominta Group is committed to understanding and minimising any adverse environmental impacts resulting from its activities, while continuing to meet client expectations of quality and service and providing a safe working environment for employees.

Ominta Group is committed to:

- Establishing and maintaining a formal environmental management system in accordance with this policy.
- Communicating this Environmental Management Policy to all staff, contractors, consultants, temporary workers, visitors, technicians and clients.
- Continually improve its business performance and conduct its operations in an environmentally responsible manner, clearly reflecting a commitment to fostering the sustainable use of the Earth's resources.
- Waste avoidance, waste reduction, reuse and recycling.
- Reducing its consumption of materials and energy and to implement environmentally sound waste management practices. This includes eliminating unnecessary energy use, pursuing a program of energy conservation, and reviewing water usage.
- Reuse materials wherever practicable.
- Promoting schemes for the collection of materials appropriate for recycling.
- Disposing of waste in environmentally acceptable ways
- Distributing information in the most environmentally-friendly manner possible.
